The screenshot displays the ChemDraw Professional software interface. The main window, titled "Untitled Document-1 - Edited", contains several chemical structures. Some structures are highlighted with blue selection boxes, and others have red dashed boxes around them, indicating they are selected or being edited. The interface includes a top menu bar with options like File, Edit, View, Object, Structure, Text, Curves, Colors, Search, Window, and Help. A search menu is open, showing options for finding ACX numbers, structures, and suppliers, as well as browsing various resources like SciStore, PerkinElmer, and ChemOffice SDK. On the left side, there is a vertical toolbar with various drawing tools for creating and editing chemical structures.
